Delhi Connectivity

BY AIR

At the crossroads of the West and the East, Delhi boasts of excellent connectivity to major cities all over the world by major airlines. Delhi's Indira Gandhi International Airport is a short ride to the city centre. For your conference, a special facilitation counter will be set up in the airport to assist the arriving delegates. **Delhi airport has 3 runways with fastest flight handling capacity.**

BY RAIL

Delhi is connected to whole of the nation through Indian Railways vast network. Major railway stations in the city include New Delhi Railway Station, Old Delhi Railway Station, Hazrat Nizamuddin Railway Station, Sarai Rohilla and Anand Vihar Railway Terminal.

BY METRO

Mass rapid Transportation System (METRO) has added new dimension to travel in city. It is a rapid, comfortable, automated, air-conditioned transport system known for its performance dot on time.

BY ROAD

Delhi has one of the highest road densities in India. Excellent connectivity by road to all major cities. Total road length of Delhi was 28,508 km including 388 km of National Highways. Major road-based public transport facilities in Delhi are provided by DTC buses, auto-rickshaws, taxis and cycle-rickshaws.

Hop on Hop Off

Hop on Hop Off bus service, similar to cities such as New York, London, Berlin, and Cape Town. It will definitely make sightseeing in Delhi much easier. The bus service, called "HoHo", commences at the Coffee Home on BKS Marg and stops at 18 tourist destination on a 65 kilometer circular loop of Delhi.
